

## Spiritual Warfare - Week 1 - It's a Fight

### GROUP QUESTIONS

1. What is the greatest physical challenge that you have ever attempted? Did you do it alone or with the help of others?

Read Ephesians 6:10-12 again, maybe from different versions of the Bible. If in a group, read these out loud.

2. Where do you draw your strength from? Your own ideas and thoughts? People around you? News and/or social media? God and His Word?
3. What are the "schemes" that the devil likes to use against you? Where is he deceiving you right now? What does God say, in His Word, about the things that the devil uses to "mess" with your life?
4. The end goal of all that Paul says is "to stand". There is scheming and wrestling along the way. How are you using the power and armor of God to assist you? How are you "standing" right now?
5. What do you need to do in the coming week to live out what is found in this passage of Scripture?
