Book suggestion for June

“Devote yourselves to prayer, being watchful and thankful.”

Colossians 4:2

June brings us the first day of summer. Think picnics, camping, gardening, mowing the lawn and other outdoor activities. It's also a time of rebirth for all living things. May was the beginning of this new growth but now we see trees and flowers fully bloomed and in their prime.

As we enjoy the weather and get outside (for more reasons than just the weather), we are reminded that God created the grass, trees, flowers and that he ultimately created us. So take a few moments to thank Him for all of his creations that we enjoy at this time - the beginning of summer. Thank him for renewed life in all the baby bunnies and even those pesky chipmunks.

I thank Him for every single day the sun shine! I thank Him for all the rain drops that come down to quench the earth and help all the plants grow! I even thank Him for being able to get out and mow the grass that grew from all the rain we received. Look around at the wonders of summer. Though it has been a very tough year, we still have so much to be thankful for!

As we enter this sixth month of the year, we have much to be thankful for!

First, a good spirit is present in our church. This is evident as we meet together each Sunday, but also was seen in our recent Annual Meeting as we celebrated all that God has been doing in the past year, as we selected leadership positions for the year ahead, and as we approved a budget to guide us as we seek to fulfill the ministry that God has for us.

Next we are thankful for the decreasing COVID-19 cases and the relaxing of some of the guidelines. We are grateful for God's protection to those in our church and community. In the past few weeks we have seen a steady increase in our attendance and ministry opportunities are now being added to our calendar.

Also, we are praising God for His work in His people here in the Candor area. We enjoyed a very special National Day of Prayer on May 6th as 38 brothers and sisters in Christ gathered at McNeil Pavilion to spend time praying together. We look forward to more opportunities like this in the coming months.

As we move into the coming summer months let's submit ourselves to God and His leading in our personal lives and in the life of this, His church. Will you pray with me for a continual sighting of new faces that join us for worship, for consistent, joyful giving, and for willing hearts to serve Him in the ministry opportunities we have?

On Sundays, we have recently looked at Spiritual Warfare and Prayer. Remember that the battle is ever-present around us and we are to be praying people—honest prayers about everything that are continually lifted to our Great God. We need Him and His forgiveness, love, guidance, and power each and every day! What a mighty God we serve!
