Book suggestion for August

Deeper by Dane C. Ortlund
Real Change for Real Sinners

Summer is here in all its splendor!

As our schedule is maybe a little more relaxed and we spend some of our vacation time, let's not forget to spend some of that time in reading God's Word. As we go through this series in Proverbs, remember to read one chapter a day—the chapter number that corresponds with the day of the month. Join us in reading through the book of Proverbs in August and gaining wisdom!

In this series we are learning to “develop skills for living well in God's world.” Wisdom is taking what we know and putting it into practice. We know that we are to love one another, so let's continue to faithfully meet with Him each day and then meet together with our church family each Sunday. We know that we are to share the Good News with those around us, so let's pray for opportunities to speak and serve—like helping out in VBS!

May we be praying for God to do His good work among our church and community in the days ahead.

Philip and Martha Matthews—Missionaries to Ireland

Phil and Marth Matthews are serving in Ireland through Communitas International. Back in Dublin, Phil is serving as a chaplain to a hospice. Please pray for him in this challenging role. Phil says it is a true privilege to be able to come alongside people at such a vulnerable time in their lives. Please pray for much wisdom and grace, and for openings to pray with and share the love of God with precious individuals. Pray for the Holy Spirit to guide the many conversations that happen each day with residents, their families and staff.

Martha continues her work with inner city schools, helping to encourage family literacy. Martha reports that the last few years have brought many extra challenges with COVID. Summer months provide a welcome chance to catch our breath and prepare and plan for September. Please pray that the work done through the school term will “stick” and for each of the children who have now completed the program.

The Matthews want to thank us for being partners with them and for standing with them in prayer. “We truly cannot do anything for God on our own, we need each other, and we need each other’s prayers. Thank you so much for yours.”

Note from the Clarks:

We want to thank you again for the kind reception and hospitality you gave us on the weekend of June 26. It was our pleasure to share God's stories from PNG and to open the Word to you. It was also a joy to hear your stories, to see your continued faithfulness in Gospel ministry, and to witness a congregation and leadership tea that is loving one another. We look forward to hearing how the joint VBS in the Candor community turns out. As always, I, Darlene, find time in Candor to be refreshing—a taste of home. Thank you for continuing to partner with us faithfully. We pray for your joy, your fruitfulness, creativity and open ears as you seek God's heart on growing both numerically and spiritually, and for your love to abound with both knowledge and depth of insight.

Gratefully in Christ
