Book suggestion for July

Summer is here! Looking around at the hillsides, the fertile valleys, and all of the beauty in close proximity to where we live, I am reminded of the greatness of our God. We read in Psalm 8:

“O Lord,, our Lord, how majestic is your name in all the earth! You have set your glory above the Heavens... When I consider your heavens the work of your fingers, the moon and stars, which you have set in place, what is man that you are mindful of him, the son of man that you care for him?”

Creation screams the amazing power and design of our God, and yet, He still has intention to focus His attention on you and me. Right where we are, in the simple moments of our days, He is “mindful” of us. He loves and cares for us. We are never far from His thoughts. Even when we experience dark days, where we feel He is far from us and uncaring, the truth is, He is “mindful” of us!

Don’t allow the enemy to fill your mind with doubt concerning God’s loving concern for you. He has demonstrated His love towards you and me. The evidence is all around us. May each of our days this summer be centered around lifting up the majestic and wonderful name of Jesus!

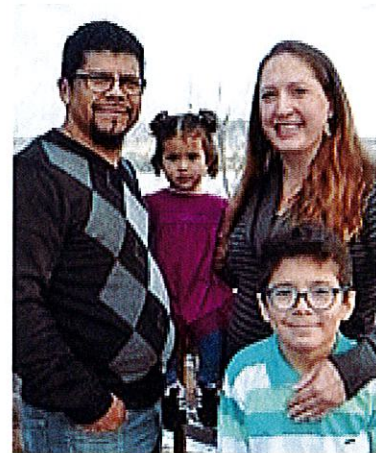

Pastor Scott

COME JOIN US!

Each Sunday we have an opportunity to stay connected in worship by attending our Sunday service to enjoy to a shared message and study through scripture. Join us as we enjoy our worship and messages with Pastor Scott Burtis. We begin our summer series “Summer of Psalms” in July and will continue through the summer.

I encourage you, if you are able, to join us in our sanctuary on Sunday mornings at 9:45 am and at 11:15 am for our in-person Sunday School. Our adult Sunday School continues with a discussion of that morning’s sermon in a small group setting. We are also live streaming on YouTube. Check our website at www.ambccandor.com for more details.

The Zalazars in Argentina

The Zalazars report from Argentina that they are in the beginning their winter there.

Their official kick off for their regular ministries began in March and include the Kids’ Program, Youth Program, Ladies Bible Study, Men’s Meetings, Music Class and Ministry, Married Couple’s Ministry, Sunday School and special Evangelistic activities. Their doors are open nearly every day!

Their youth group is really growing and they had to divide the group into two different age levels. In addition, their Kids’ Program averages between 50-60 kids every week. God has provided them with enough volunteers to run all their ministries.

Pray for their church that the ministries are not just “social groups” but that they can really dig into the Word of God and strengthen their church and reach out to their community.
