February 2024
Volume 5, Issue 2

As we jump into this new month of February, we turn our Sunday message focus to the Book of Romans. The Apostle Paul wrote this letter to those who had believed in the city of Rome. As the center of the Roman Empire, it was a critical place for the truth of Jesus Christ to be preached. For those who lived there, their impact in the world around them was to be influenced greatly by their understanding of the Gospel and Paul goes in to great detail to make sure they are clear in their grasp of the truth.

The same is true for us—as we strive to be effective as a “City on a Hill” that will not be hidden, we must also have a clear understanding of the Gospel message. In this book, we see God’s magnificent plan of redemption—how we as lost and guilty human beings can be forever delivered from the penalty of sin through the righteousness of Christ. This is the truth that we are called to know and believe. And also in this book, we learn that this truth must be lived out as well. The positional truth that we understand is to be lived out on a daily basis. What we know is also what we should practically apply in our lives.

“I am not ashamed of the gospel, because it is the power of God for the salvation of everyone who believes; first for the Jew, then for the Gentile. For in the gospel a righteousness from God is revealed, a righteousness that is by faith from first to last, just as it is written: ‘The righteous will live by faith.’” Roman 1:16-17

Join us each week as we study this book together. Plan to read along each week in preparation.

Mike & Agnieszka Green—Poland

“The Greens minister to people who are in their late 20s to late 40s, most of whom are college educated. People outside of their church are usually Roman Catholic, in most cases only nominal in their faith. In Poland, Protestants tend to be viewed as part of a cult or sect, which creates a barrier in evangelistic efforts. Capitalism has now been in Poland for 24 years, meaning that there are generations in Poland who have never known Communism, but instead are immersed in consumerism. Thus there is an increasing tendency among Poles to disassociate themselves with the Roman Catholic church. Most of these people are just not interested in Christianity and the organized church.

Pray that God would deepen the faith of the people who attend the Greens’ church. Pray that God would bring new believers to the church and that He would give them a heart of evangelism, discipleship and missions.”¹

The Greens are a part of WorldVenture and we were blessed to have them visit our church on several occasions over the years.
